\*45 hours of 3/400 level courses are required for graduation

- ▶ Each student must earn at least 45 hours of 300/400 level credits. In the case of transfer from a four-year school, up to six hours may be considered upper level if the courses are equivalent to upper level courses at UL-Lafayette. **Note: This exception does not apply to transfer work from two-year colleges.**
- ▶ Students are limited to 60 hours of transfer credit at the community college level.
- ▶ To exit Junior Division, a student must have completed:
  1. ENGL 101 and 102 with grade of C or better
  2. MATH 100 or 105 with grade of D or better
  3. FREN, LATN, SPAN or GERM 101
  4. Any Biological or Physical Science (Chem, Geol or Phys) with grade of D or better)
  5. Have at least 30 non-developmental hours with a 2.0 adjusted GPA
- ▶ Students may not apply more than 42 hours of major courses toward a degree.
- ▶ To complete the minor, a student must have a minimum of eighteen hours in a subject. Six hours must be at the 300/400 level. Some departments allow students to minor in areas such as history or English that may already be included in the student's curriculum. If hours from, for example, history are included in both the minor and history subject areas, the student must have the appropriate substitutions in order to complete the 120-125 hours required. For minors in English; Engl 101&102 do not count for the minor. Similarly, for minors in MODL the 101 course does not count toward the minor. **Note:** Some minors require more than the 18-hour minimum. For more information on minors, visit <http://liberalarts.louisiana.edu/academics>
- ▶ No more than 4 hours of KNEA/PEDA credit may be used for graduation requirements.
- ▶ Transfer credits must be evaluated in the Dean's office during the student's first semester at UL-Lafayette-- call for an appointment.
- ▶ A student shall be required to earn the last 30 hours, applicable toward a degree, in residence as a major in the academic college from which the degree is sought.
- ▶ Students may not audit courses they must take for credit (i.e., Math 105, a required major course, etc.).
- ▶ Transfer courses for a continuing UL-Lafayette student must be approved prior to the student's enrollment in those courses.
- ▶ To file for graduation, student must complete two documents --

The degree plan -- completed with adviser, approved by department head and dean, due in the dean's office at the beginning of the semester before a student expects to graduate. The degree plan indicates what course work remains in order to complete degree requirements.

The application for degree -- due the semester prior to graduation if the student wants priority registration or at the beginning of the semester the students plans to graduate. The application is a brief "name and address" form that is used to order the student's diploma. It is available in the Dean's office. There is a \$90 fee, payable at the Cashier's office. The form must be returned to the Dean's office after payment.
